

Block Breaker

By Paul Harvey and Sadiq Al-Khalili

Brief description:

The game is a remake of the famous arcade game Breakout, developed by Atari. The objective is to use the ball to destroy all the blocks on the screen before time runs out.

Controls:

D/Right arrow:	Move the paddle to the right.
A/Left arrow:	Move the paddle to the left.
Escape:	Quit the game.
Space:	Pause/Un-pause.

Blocks:

Normal block: Can be destroyed with one hit.

Hard block: Turns into a normal block after one hit.

Boundary block: Can't be destroyed.

Ghost block: Can only be hit while not fading – Destroyed with one hit.

Ghost boundary block: Can't be destroyed – Can only be hit while not fading.

Power Ups/Downs:

Adds one extra ball.

Makes the ball faster.

Makes the paddle bigger.

Makes the paddle smaller.

Adds an extra life.
